Who Will Be Our Host

On Our Journey Through

The

1945

Massillonian

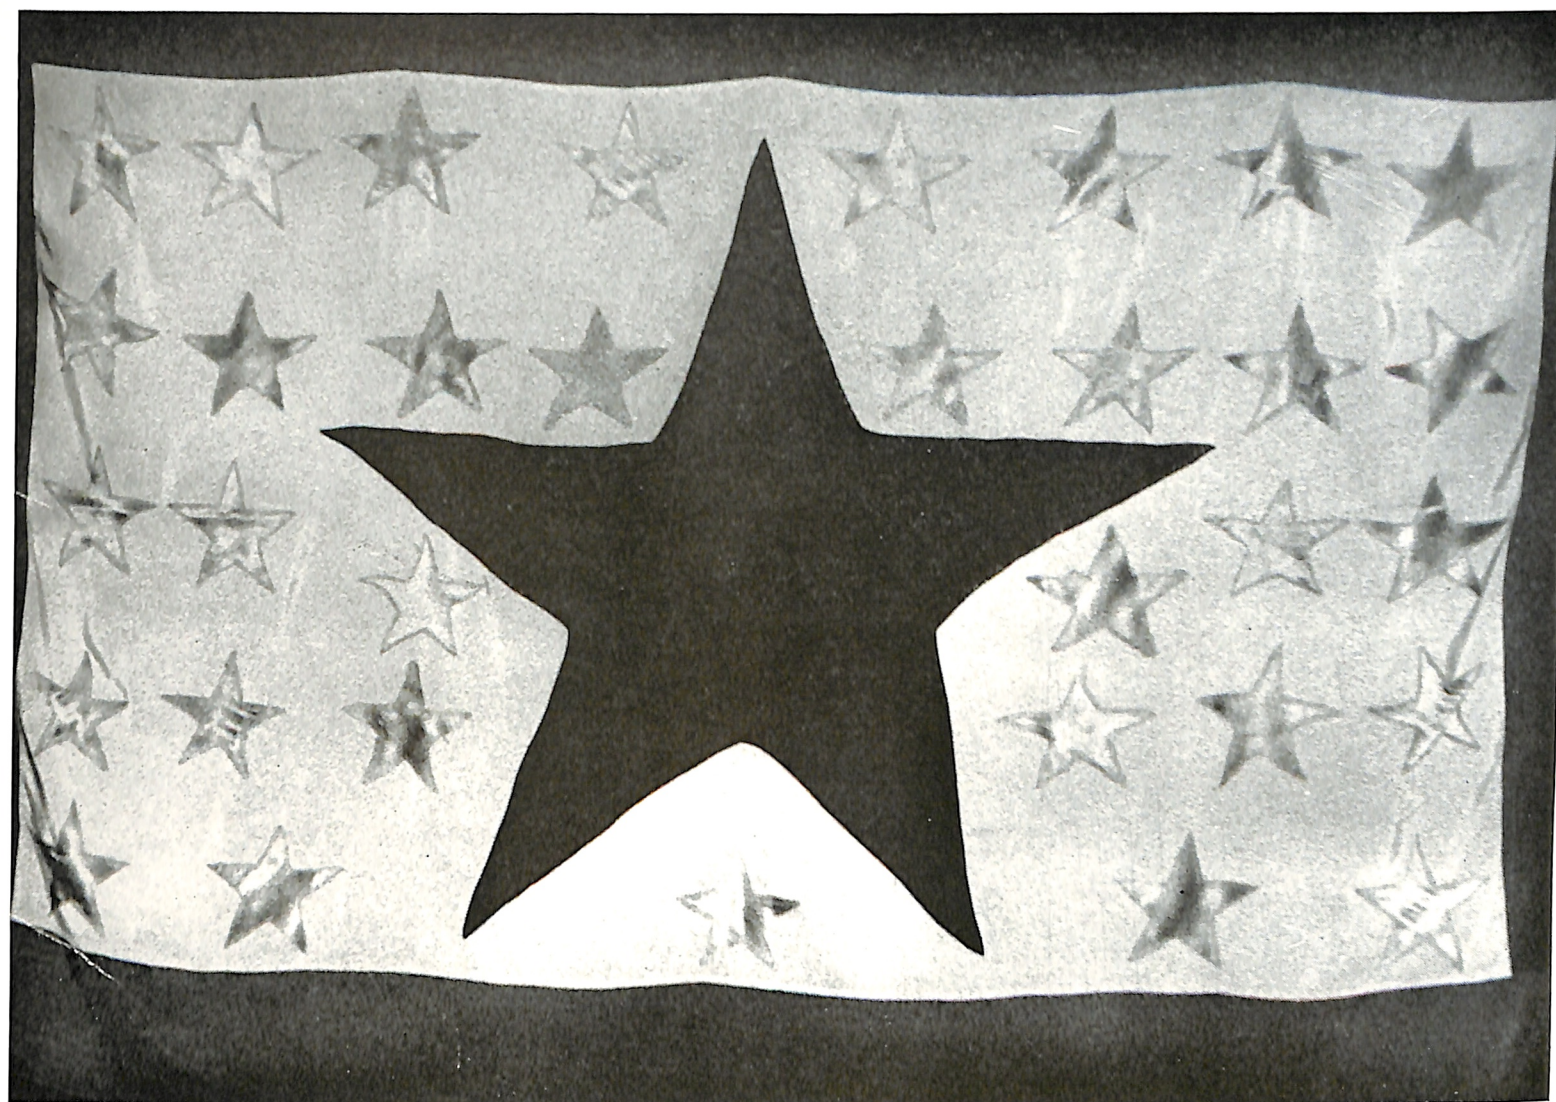

WE have seen this nation through four years of global conflict, but the roar of airplanes and the marching of soldiers are grim reminders that this clash of forces has not been terminated. This year, however, has seen this picture grow much brighter as victories on the many battle fronts still the roar of those guns - - - and restore freedom to those regions which have been crushed under the heels of cruelty and oppression.

We here at Washington High have seen the effects of one more year of war. Yes, war has wrought many changes the past year. The service honor roll has become steadily larger. Each new gold star on the flag reminded us of the toll war took of the students who left us to prove themselves so heroically on the field of battle. Almost every day, boys in uniform could be seen reminiscing in the corridors or in one of their favorite classrooms. The visitors' register in the office received the signatures of boys from all branches of the service; boys whose thoughts were ever turning to those pleasant days at school.

It is to these boys, and their comrades on distant islands in the Pacific, on the seven seas, and on all continents of the world that we turn for the theme of our book. They could not return to walk in the corridors or visit some favorite classroom because their station was a fox-hole in the Philippines, or the turret in a super bomber blasting the very heart of the enemy. True, they longed to return to live once again those days at Washington High, but the reality must wait until the enemy of freedom over the world has been crushed. However physically impossible it was for these boys to return, we know that they did, during quiet moments in the fox-hole, return by means of their imaginations to re-live once again their experiences here at school.

We, then, have chosen a boy, typical of the many G. I.'s from Massillon, whom we call John Smith. We shall join him, even to his distant battle station, and try to capture those things in the life of our school which filled his imagination.

It is the duty of the teacher to guide and inspire the student, to lead him into new experiences, and to develop that inherent quality in man which elevates him above all else - - - the human mind. To achieve these ends the teacher strives eternally, always without glory, sometimes without recognition.

For his guidance and inspiration, for his high intellectual achievements, and for his many contributions to the life of our school, we, the "1945 Massillonian Staff," would bestow the recognition and glory that he rightfully deserves.

We feel that we resound the appreciation of all who know him when we award this dedication of the "1945 Massillonian" to one who is so worthy of the honor, Gerald L. Koffel.

The conduct of a war, the plans for battle, and the winning of the conflict are the functions of the General and his superior officers. They plot the moves of the forces, give the orders, and assume the responsibility for victory or defeat.

The administration of a public school system is a tremendous undertaking. The success of the adventure depends on the intelligence, ability, knowledge, and experience of the officers in charge. The problems they face are as difficult and perplexing as those of any battle, for they are dealing with the complexities of the individual, as well as the organization and conduct of the school system itself.

That the administrative officers have proven themselves capable leaders is shown by the success and renown of Washington High School.

Administration

There is a General Staff in Washington responsible for the making of the plans that our armed forces follow in this war. The duties of the staff are to formulate general policies for the conduct of the war and to appoint capable men to carry on the fight. Their task is a gigantic one. The war must be won.

In many respects the Board of Education is similar to that staff, but with much less publicity. They formulate general school policies and appoint capable administrators to see that our schools function. They are responsible for a program which is, in its entirety, a colossal undertaking—the molding of human minds and personalities.

These men shoulder this task without publicity, without remuneration. Their reward is the satisfaction which comes from performing a public service. They are responsible for making Massillon a citadel of education.

Our deepest gratitude and appreciation to those who serve the Massillon Public Schools.

Left to right—DR. R. H. CLUNK, Vice President; W. H. CRAWFORD, L. J. SMITH, H. S. ZEPP, V. H. MEYER, President; A. D. MERRELL, H. C. MEEK.

National Honor Society

Would you like a preview of the leaders of tomorrow? Look below and you have our nominations for the responsible positions of the future.

This group of students represents the top 15% of the senior class. With few exceptions their grades average "B" or above. But it takes a great deal more than just scholarship to be granted membership. Other important factors which receive full attention are leadership,

demonstrated either in the class room or in extra curricular activities; contributions to the standing of the school and community; and perhaps of the greatest importance, the character of the individual.

The faculty and administration together have carefully considered all of these points and chosen the students below to be members of the National Honor Society.

FOOTBALL RESUME

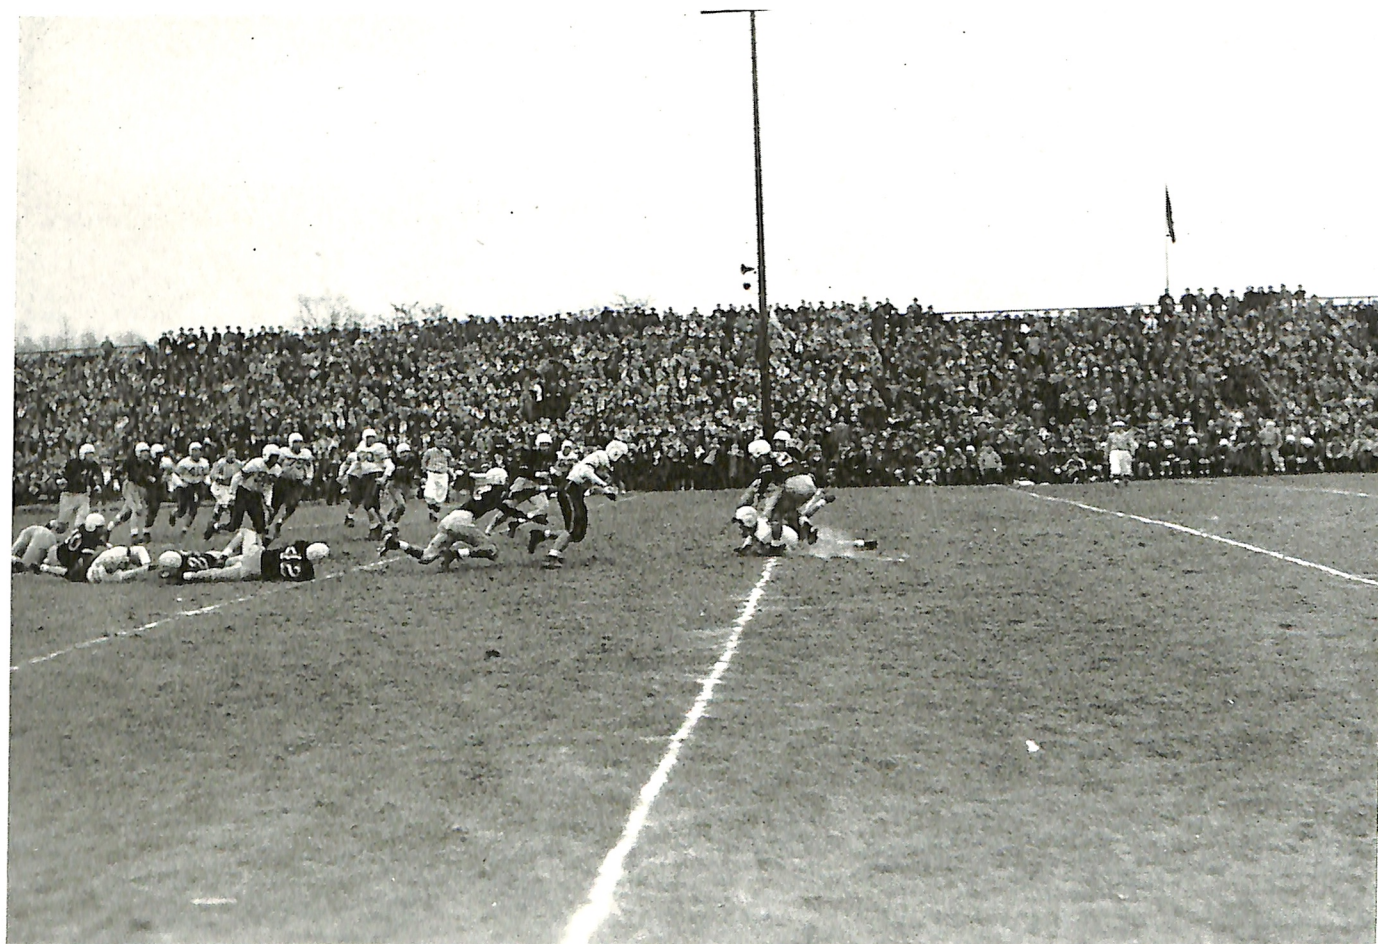

WEST

The first touchdown of the season came when Keller rushed through the line to block Hamm's kick. The ball bounced back across the goal line and Keller was there to pounce on it. Following the first touchdown, a spectacular run of thirty-six yards was made by Bert Webb who, taking the ball from Turkall, swept wide around left end to make a touchdown. Kam, feeling sorry for the Cowboys, who seemed to be off in the next county, placed his second string on the field. The high spot of the game came when Walt Campbell snagged a pass and blazed all the way down the field for eighty-seven yards to make the only touchdown for the Akron West Cowboys.

L A T I N

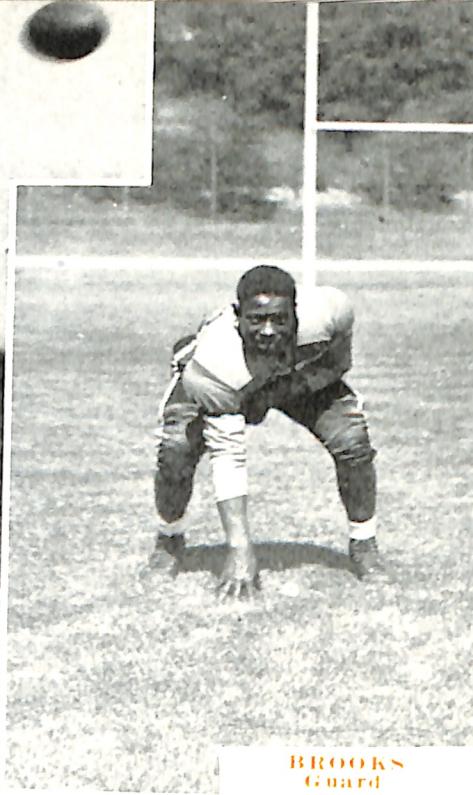

By a margin of only six points, the Cathedral Latin Lions defeated our Tigers in a very close game. A fumble robbed Massillon of its best scoring chance when Turkall lost the ball to Bill Elini on the Latins' sixteen yards line. The winning touchdown came in the fourth quarter when Oliver crashed through the defense to the three yard line. On the next play he plunged over the goal for the only score of the game. The Lions operated from a "T" formation most of the game, although in the latter stages they used a single wing that produced the speed and efficiency which overwhelmed the Tigers. It seemed as if the Tigers locked their defense in the club house for most of the game.

Massillon's off with a flying start.

LINCOLN

Massillon's second win of the season came when they overthrew the Canton Lincoln Lions, 12-0. An improved Tiger machine went into action this game. They showed a much better grade of speed and efficiency than they had displayed earlier in the year. In the first bid for a touchdown Permar of the Lions was stopped at the goal. The first of two Tiger touchdowns came when Turkall bowled over the right end and sailed across the goal line to start Massillon's scoring. Coming out for the third period, Massillon went sixty-six yards down the field without wasting any time, and Turkall went straight across the goal for Massillon's second and last touchdown.

STEUBENVILLE

Massillon scored their eighth triumph over an Ohio rival as they made their third win of the season. Immediately the Tiger machine swung into action and started off on a touchdown march. After much help from Turkall and Pedrotty, Keller sprinted in and out of the Reds' line to make Massillon's first touchdown. The Tigers at this point had their worst luck of the game. They lost two touchdowns because of the stiffening defense of Steubenville. Kammer then put in the second string. An intercepted pass by Robinson, who ran for forty-five yards, gave Steubenville their only touchdown of the game. Kammer then yanked out the second string and put in the third, and they registered a first down before the game ended.

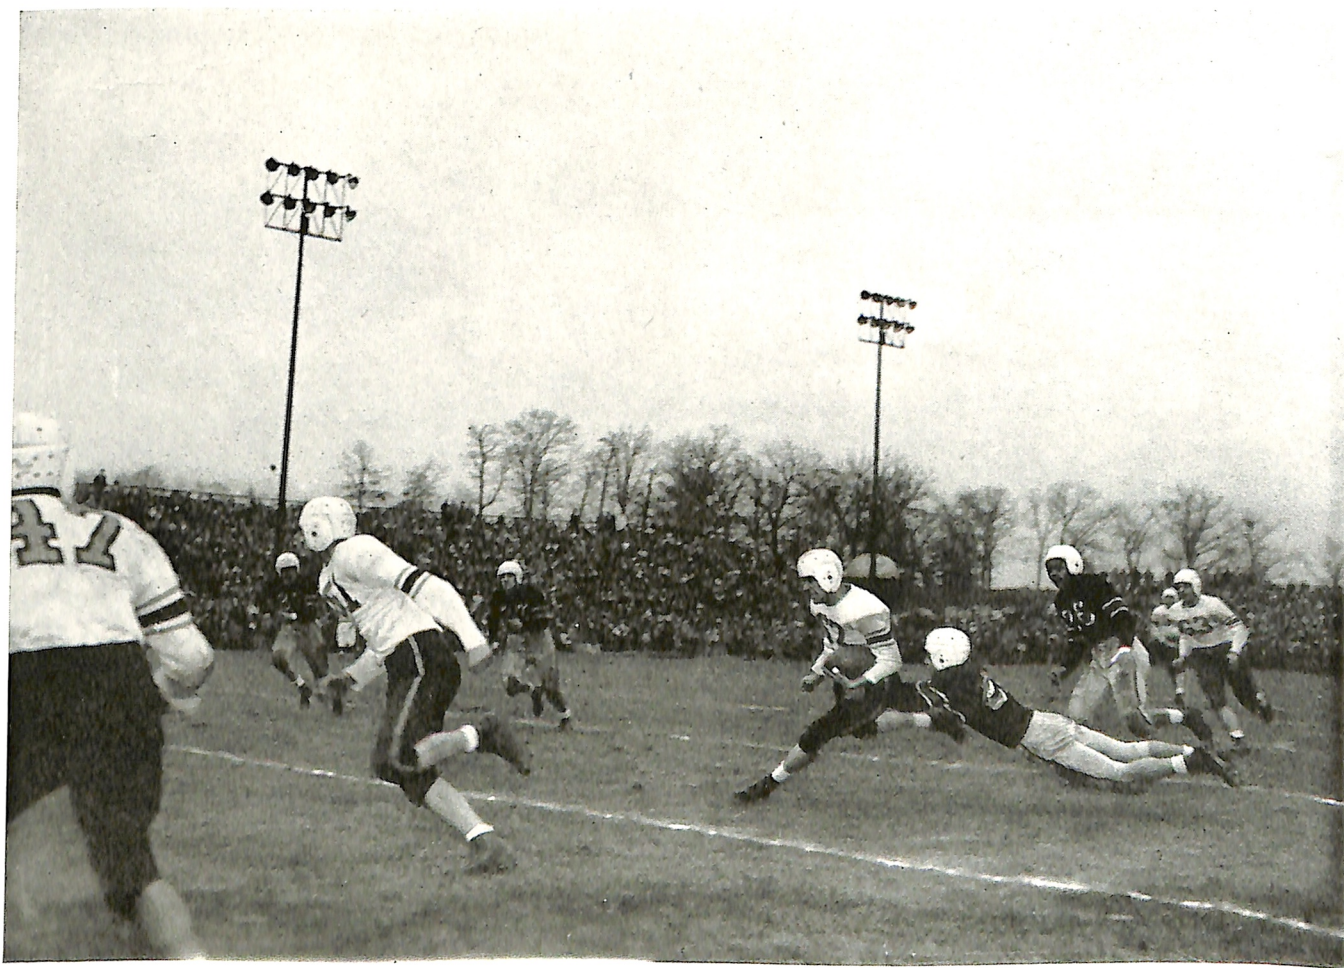

ALLIANCE

There must have been many surprised people that crowded around the Mount Union gridiron last night. For those people who believed the Tiger was worn out, it must have been quite a shock to see the Tiger spring to life against the low-flying Aviators. The costly part of the game came when three of Massillon's fighting mighties were injured. Gene Krisher, a versatile sophomore, who last night played his first game, received a fractured wrist in the last quarter. Francis Cicchinnelli and Vic Turkall received minor injuries later in the game. Aside from these casualties Massillon ripped open the Aviators' lines and soared through for four touchdowns: one in the opening quarter, two in the second period, and another in the fourth.

MANSFIELD

The mighty Richland County Tyger was knocked from its lofty perch among the state's undefeated teams Friday night by the Tiger from Washington High School. The high point of the game came when Cary started the Tiger's victory march with a beautiful forty-seven yard run. The fast, hard runner of the Tigers' team made one of Massillon's biggest gains. The run came just when Massillon needed it most. The only touchdown of the game, the first scored against the Mansfield Tygers this season, was made by Glenn Keller late in the quarter. Cary's attempted place kick was blocked by Dominic Merssile. A superb running attack by Zivkoff drove the Tigers right back in the shadows of their own goal posts. The Massillonians met the counter-attack by recovering a pass tossed by Cline on their own four yard line.

McKinley gets a free ride.

W A R R E N

The Massillon High Tigers felt their second loss of the year when the Warren Presidents hit Massillon. Never was such a defeat handed the Tigers since 1942, when Canton McKinley chalked up a score of 35-0. The Tigers tried hard and gave everything they had, but they just didn't have enough ammunition to halt the invaders. If the Tiger line could have played on more even terms with Warren's big forwards, and, if the orange and black's tackling had been better, it might have made some difference in the final result. Massillon's interference and blocking also was conspicuous by its absence. Warren's big forwards came roaring through the line before the Tigers could even form any sort of protection for their ball carriers. Massillon's only touchdown came in the fourth quarter. Warren scored three in the first two periods and a fourth later in the game.

T I M K E N

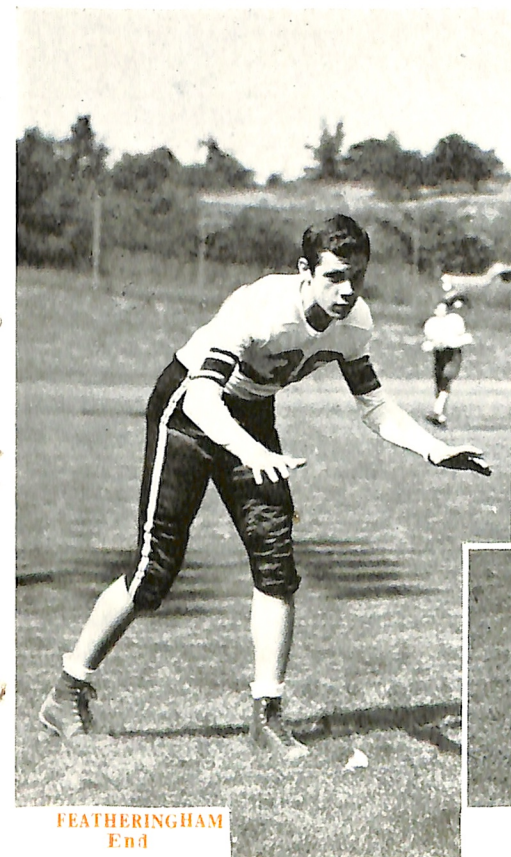

In taking the Timken Trojans for the second straight year the Tigers marched to victory over and through a rugged, hard-fighting aggregation, a team that never quit trying, and which later in the game saw its determined efforts to score rewarded with a touchdown. Once before, in the second quarter, the Trojans had made a bid for a touchdown, working the ball to the three yard line. The Tigers intercepted a pass and ended the threat. The Tigers tried fourteen passes, completing five for 118 yards, two of them producing touchdowns. One Massillon pass was intercepted. Timken tossed twelve aeriels, completing five for 101 yards with one intercepted. A long pass set up Timken's touchdown in the final quarter.

C E N T R A L

The Akron Central Wildcats were set back on their haunches by the determined Washington High School Tigers Friday night. Playing in the rain on a muddy, slippery field for the first time this season, the Tigers unleashed sufficient power in the last two periods to tally twice and conquer the Wildcats. The first points of the game came when Keller ran wide around left end and across the goal line. McGuire's pass to Pedrotty brought the leather down for the additional point. Akron's only touchdown was the result of a pass to Liddle, who snared it behind the goal line. The Tigers, by hard plugging, emerged triumphant in their ninth combat of the 1944 campaign.

M c K I N L E Y

The golden anniversary of football was a sad one for the Massillon fans. To Canton goes the credit of a marvelous team that took more than just courage to beat. The Bulldog defeat was the third loss of the 1944 campaign. Every Tiger boy that played in the game was marked as a hero in Massillonian hearts. The Tigers showed the best speed and tackling ability of the season. As has been the case so often this season, the Tigers found themselves in a hole early in the game and had to wage a desperate, but not too successful battle, in an effort to keep the Bulldogs out of pay territory. For the first time of the season Keller had one of his famous punts blocked. Bob Parks crashed through the line to block the kick and McKinley covered the ball on the Massillon 13. Even though trailing by 27 points, the Massillon Tigers fought till the very last.

BASKETBALL SUMMARIES

CENTRAL

Starting off the season by uncorking some very clever passing and floor work, the Tigers gave the visiting Rubber City lads a bad evening. They would have led them by a much larger margin had the locals been able to bottle up Charlie Drumm, Akron Central's chief point maker, who paced both teams in bagging 22 points. Score, 56-41, in our favor. Leading Massillon's scoring team were Luke and Crescenze, scoring 19 and 16 points respectively.

CANTON TIMKEN

It was the fine, spectacular shooting of the Canton Timken players that spelled the downfall of the Tigers, and caused their first defeat of the season. It was a fast game and at times rather rough with the officials calling 44 fouls, 24 on Timken and 20 on the Tigers. Again Eddie Crescenze and Wilmer Luke topped the Tigers in scoring. Score, 37 to 47 in their favor.

AKRON NORTH

Luke set the pace for the Tigers in the first quarter, and the Massillonians enjoyed a one-point advantage when the second period began, leading 16-15. Entering the game in the fourth period, the Akronites tossed in a pair of baskets in rapid succession to send them out in front where they remained during the rest of the contest, holding a six point advantage when the final gun sounded.

CANTON McKINLEY

For three quarters of the game Coach Kammer's players gave the Bulldogs the hardest kind of a battle, and the Massillonians were leading by a point, 15-14, at half time. They were trailing by only two points, when the fourth period got under way, but a scoring spree enabled the Bulldogs to pull away from the Tigers, and chalk up a lead that the local boys could not overcome. Score, 25 to 31 in their favor.

AKRON SOUTH

The ability to make points from the foul line decided the outcome of last night's contest. The Tigers made nineteen baskets from action to the rangy Cavaliers 14, but the ability of the Rubber City lads to drop in points on free throws decided the encounter in their favor. The score, 45 to 46 in their favor.

CANTON LINCOLN

Neither team held a margin of more than five points during the entire contest. It was touch and go, with the Tigers fighting an uphill battle to subdue the visiting Cantonians. The Massillon lads were leading by a point at the end of the first quarter, but were trailing 15 to 13 at half time. It was one of the most exciting games of the season. Score, 36 to 34 in our favor.

ALLIANCE

The Tigers of Washington High School defeated the Aviators of Alliance High School 90-33 on the Washington High floor, to chalk up what is probably the highest score ever made by an Orange and Black cage outfit in a quarter of a century. However, forty seconds of the game were never played. The contest ended with dramatic abruptness amid a flurry of fisticuffs before official expiration of playing time.

NEW PHILADELPHIA

The Massillon Tiger basketball tossers got off to a slow start in their game with the New Philadelphia Quakers. Then Coach Kammer sent in Bill Gable who managed to chalk up six baskets from action shots and a point from the foul line for a total of thirteen tallies. This enabled the Tigers to move ahead and pile up their margin of thirteen points. Score, 45 to 32 in our favor.

ZANESVILLE

With Dave Doll breaking loose on a one-man scoring campaign, the Tigers took an early lead over their visitors, only to have that lead wiped out in the second quarter. From then on the Tigers had to battle with might and main to catch up with the Blue Devil, who suddenly caught fire in the second period and poured 21 points through the nets while the Tigers were able to gather but 12. A fourth period plunge brought the Tigers to the fore again and there they remained until the final gun. Score, 47 to 34 in our favor.

ST. VINCENT

Eddie Crescenze held two field goals and two points from the foul line in the first half, furnished the Irish plenty of trouble in the last two periods as he tossed in seven baskets from action to make him high point man for the game with 20 counters on nine baskets and two charity tosses. St. Vincent's scoring was rather equally divided with Kutosz, a guard, making 13 points and Tongnille, another guard, getting 10. Score, 43 to 38, their favor.

CANTON McKINLEY

For 24 minutes Friday night the Washington High School Tigers gave the mighty Canton McKinley Bulldogs the most thorough thrashing they have experienced this winter. Capacity crowd which, a few minutes before, had been amazed at the expert maneuvers of the Tigers, were further astounded as they watched the Bulldogs turn the tables and zoom to victory by a 45 to 41 score.

ALLIANCE

Although trailing the Aviators the first two minutes of the duel, the Tigers showed improvement in every department and soon, with a twist of scoring, they forged ahead for the remainder of the game. The Tigers were ahead 9-6 at half time, and 39-21 at the end of the third quarter. Alliance was held to two field goals in the first half, and did not seriously threaten at any time during the game. Score, 90 to 33 in our favor.

KENMORE

The Orange and Black found itself with a record of seven defeats and six victories after dropping a 47-43 decision to Kenmore. The duel was played on Kenmore's little floor; the Tigers and Cardinals engaging in a nip and tuck battle that found the Massillon cagers entering the final quarter with a three point lead. Then a Kenmore spurt carried the Summit County lads into the lead and there they stayed until the finish.

MANSFIELD

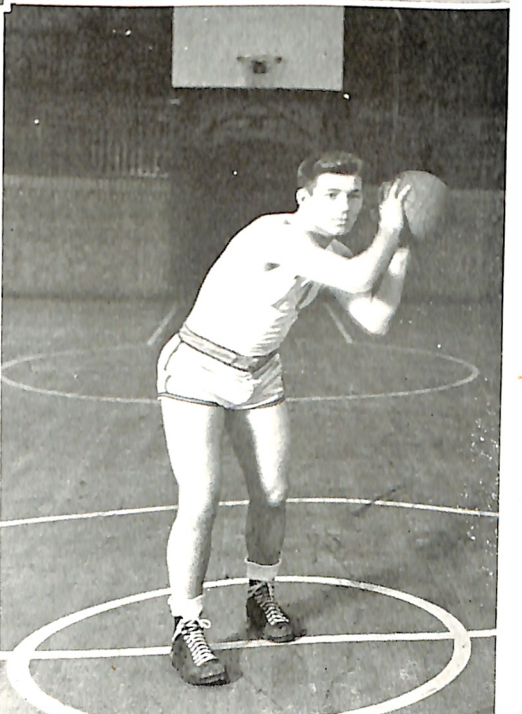

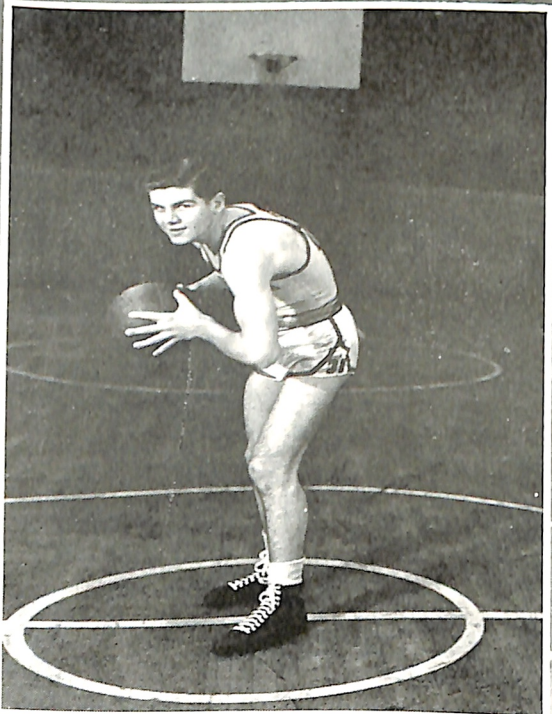

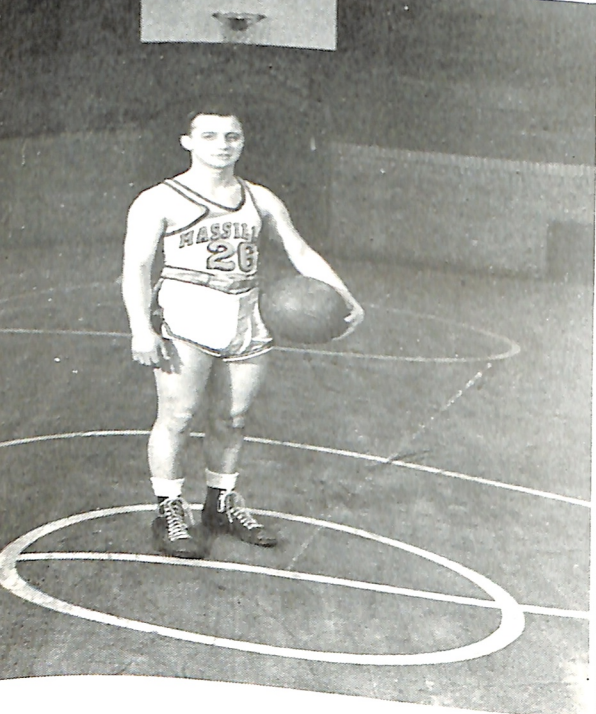

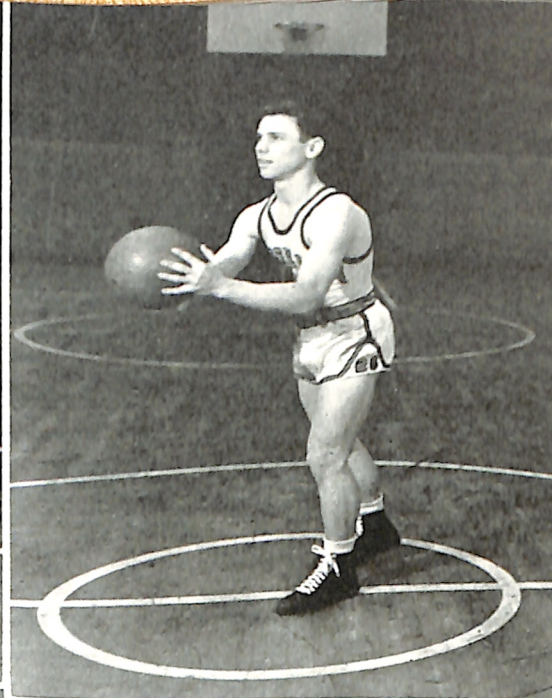

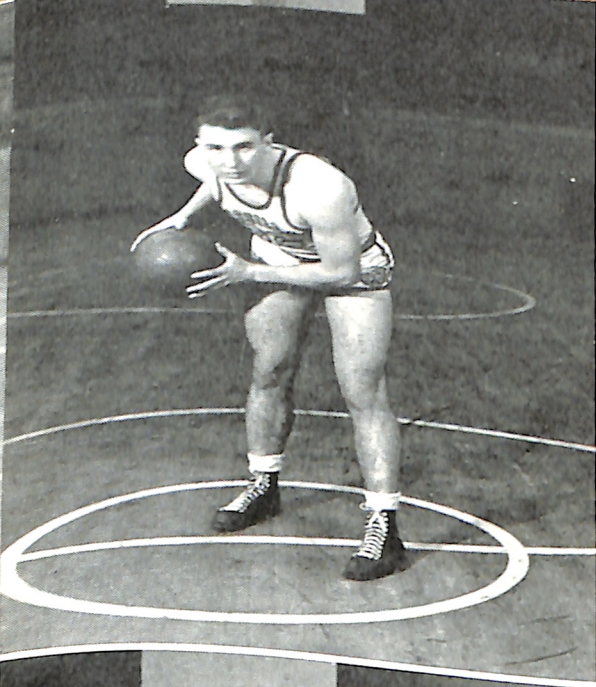

The Washington High Tigers, by reason of a point-making campaign in the first half, conquered the Richland County Tygers, 45-31. The heated rivalry existing between the two schools was apparent throughout the game. In fact on one or two occasions it boiled over, so much so, that two athletes were banned from the game.

CANTON LINCOLN

Displaying a fine grade of shooting, particularly from the foul line where they made 14 out of 17 charity tosses, the Massillon lads romped to their eighth victory of the 1944-45 campaign. This triumph made their season's record eight wins and seven losses. Although Canton Lincoln put up stiff opposition in the latter part of the game, we were leading 56-41 at the sound of the whistle.

WARREN

The overwhelming defeat the Tigers gave the sturdy Warren cagers was surprising to say the least. The Trumbull County boys came to Massillon with a team that had chalked up 13 victories, while losing but four games. To Eddie Crescenze went the honor of establishing a new record for individual point making. The diminutive lad tossed 32 points through the hoop during the evening's campaign. Score, 80-28 in our favor.

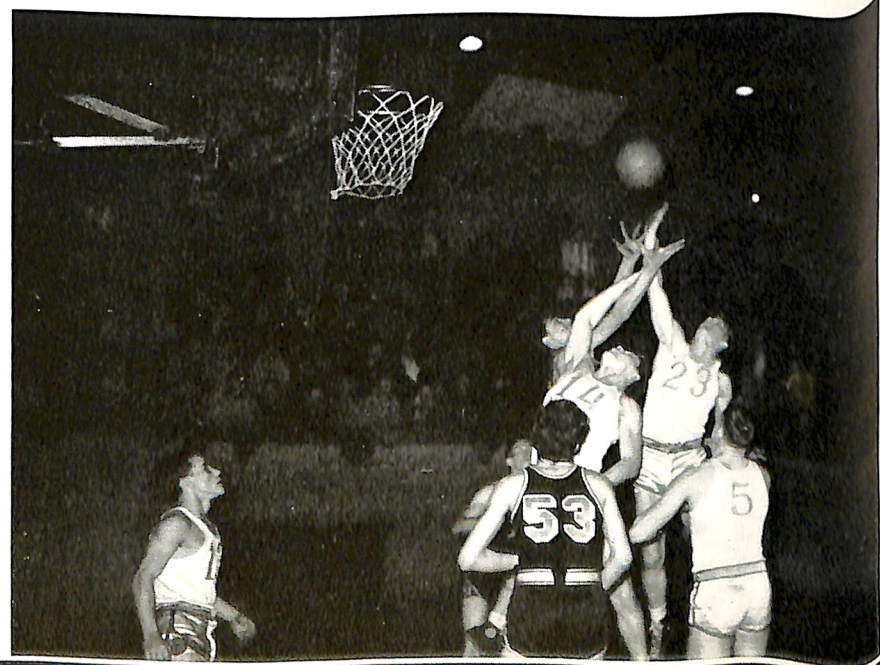

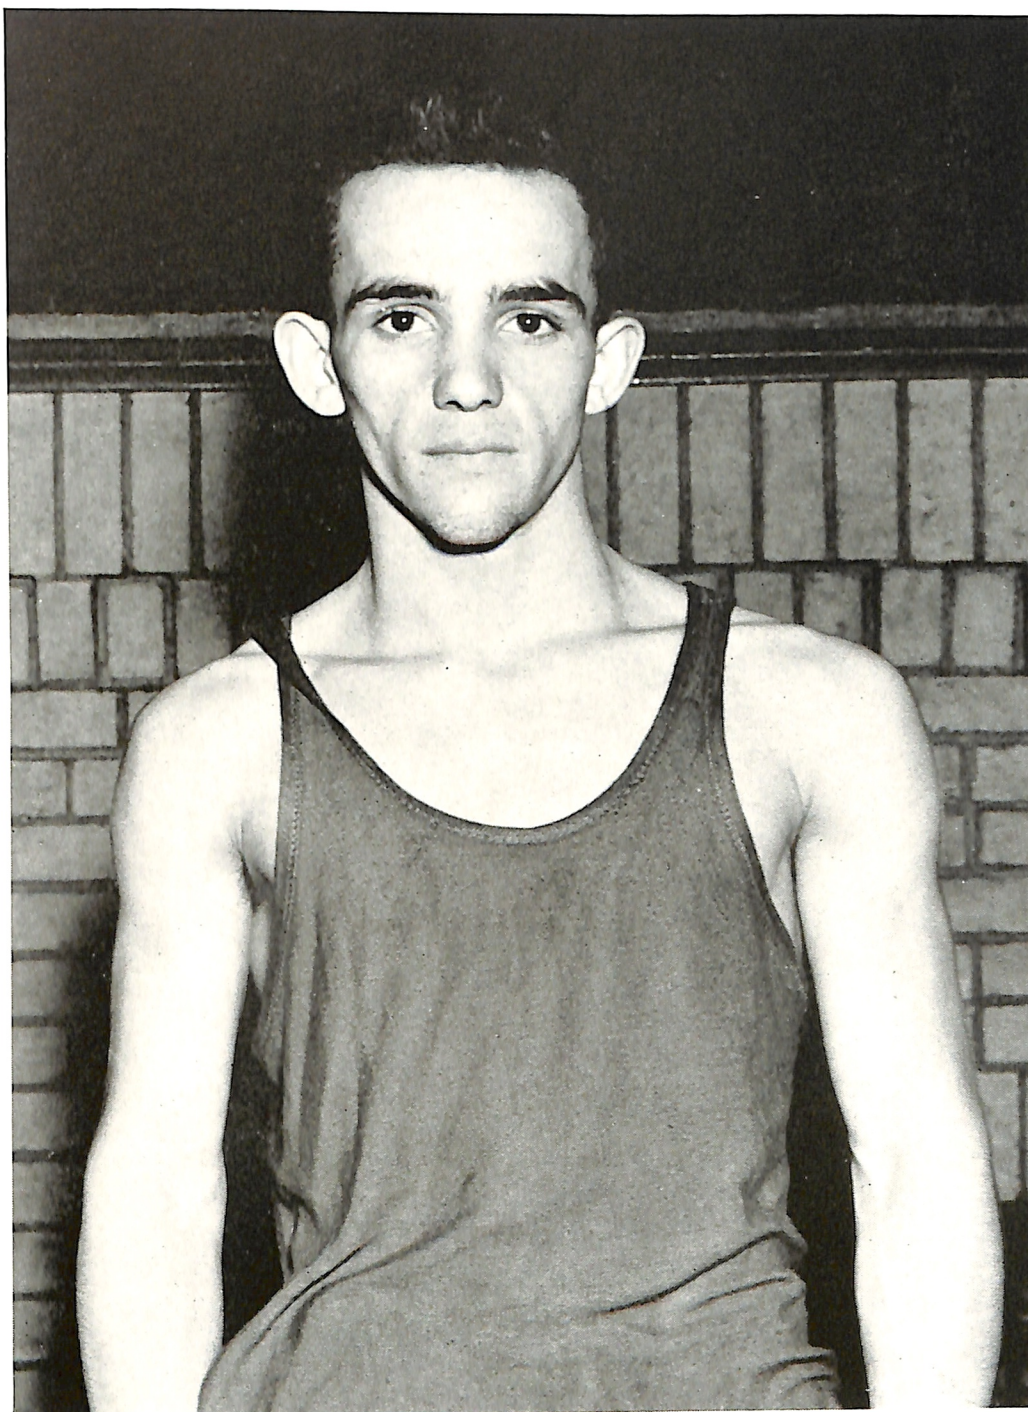

*TOP, left to right—Glenn Keller, Don Weiner, Bob Heltzel.
BOTTOM, left to right—Shorty Miller, Ted Tintor, Bob Waltz.*

Managers—Eugene Kalman, Red Lennox.

Did we make it, Eddie?

EDDIE CRESCENZE

This diminutive Tiger star established a record this year which places him in our basketball hall of fame. On the basis of his record, he is the best basketball player in the history of Massillon High School. Hats off to Eddie Crescenze, Massillon's "ALL OHIO."

His record should be the goal of all future Tiger players:

Most points ever scored in a season—383.

Most points ever scored in a game—49.

Most points ever scored in a tournament game—32.

In Memoriam

CARLTON L. ALBRECHT was an "all-Massillonian." Wherever there was need he unsparingly extended the hand of unheralded help and mercy, with no thought of recompense. The Boys Club, the Washington High School—each felt his stimulating helpfulness; and many an unfortunate lad looked up to call him blessed.

As the third president of this Club he maintained and promoted the very best Massillon tradition. He was a churchman who did not advertise his faith—he lived it—lived it in his house by the side of the road where he was a friend to man. He was a sportsman, who played the game of life cleanly and wholesomely.

Our fellow Booster not only brought to his devoted wife and those two fine jewels—his sons—that crowning attribute of exemplary fatherhood; but he carried in fond remembrance those earlier loves for faithful mother and admiring brother. In all their memories, as in ours, he stands enshrined. He will be greatly missed in the vital activities of the home community he adored.

As the Great Gardener walks within His earthly garden He plucks the finest bloom, that its beauty and sweet nectar may cheer His great heart for having planted. To mortal mind the plucking seems premature. But the flower which the Gardener selects before its beauty fades is not lost—it is transplanted into that perfect bower above, where have been collected through the years the best of earth's creation for God's everlasting joy.

BE IT THEREFORE RESOLVED that we thus record our appreciation of our fellow's life amongst us, that he who follows may be inspired to emulate an admirable example.

DAVIS

The
Photographer

A designer portrayed a man's character and glorified his ideals by piercing the sky with a single unornamented shaft. Obtuse indeed is the person who, standing before it, does not feel something of the simple and courageous spirit which helped to found a nation and moved George Washington to greatness. Design makes us feel things. It affects us all emotionally. If you can make a person feel the things you tell him in a printed message, your story will be more effective. Illustration, color, layout and type faces all increase the effectiveness of good copy. They make a person feel the things about which you talk. In the intelligent use of these four elements lies the difference between resultful printing and ordinary printing. Judge our ability to handle these elements by our own advertising.
